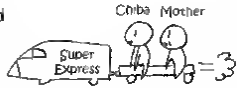
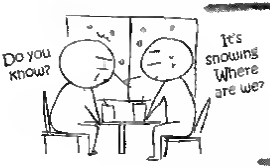
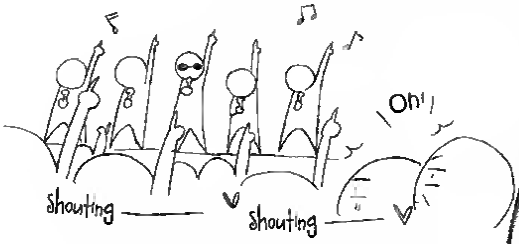
'Amai# Suppai#Horonigai' is a small break for me I went to an anticipated live of The Gospellers





We had arrived at the hall, but we didn't know the place or even the name of the prefecture (It took 1 ½ hour by express)

There were many rice cakes at the souvenir shops We then figured out that the place was Niigata



The Gospellers were more like idols than I imagined they'd be It was great

Thank you Gospellers, thank you Mom

MAKO

This is old, but please, read it!

My sickly mom passed away last week.
And I've decided to live in this house by myself because I'm a high school student.
